

HORSEHEAD WATER USERS ASSOCIATION
4969 HWY 103
CLARKSVILLE, AR 72830
479-754-8420

Date: _____

I, _____, hereby make application to the Horsehead Water Users Association for membership in the Association and for water service at the following location:

This agreement is for members who will actually use the water. As a condition of membership in the Association, I agree:

- (1) To install and maintain at my expense the necessary service line to cause the property line.
- (2) To begin using the water immediately after being notified by the Association that water service has been made available to me and to pay the minimum water bill each month until I connect to the system. After being notified that water is available to me, failure to pay the monthly water fee for a period of 60 days will result in a disconnect. In case a disconnect is declared by the Association all deposits and payments made will be forfeited. A new membership fee as required by the Association will be charged when service is again requested.
- (3) To use the water in accordance with rules, regulations, and by-laws now or hereafter established by the Association and to promptly pay for the water at the applicable schedule of rates.
- (4) To pay a NON-REFUNDABLE Membership fee of \$_____ to be charged to applicants requesting water service prior to the installation of the water service including meter setting and a Meter Deposit of \$_____. The Meter Deposit will be refundable in accordance with the rules and regulations of the Association.
- (5) The undersigned, owner of real estate, agrees that he/she will grant the Association an easement 5 feet in width either side of the center line of the water line as constructed, over, under, or across any real property bounding dedicated or public right-of-way.
- (6) That prior to connecting to the Association's water system, the applicant shall separate the existing well supply from the on-site home system with an air gap of at least twelve inches.
- (7) Should the applicant forfeit the membership in the Association, a new membership fee as required by the Association will be charged when service is again requested.
- (8) Should the applicant desire to transfer the water service to a second party, a new Water User Agreement shall be executed by the person assuming the existing water connection, providing the connection is at the location show in this agreement.
